

**WORK IN PROGRESS:**  
 The Developing Design is shown for information only and may be subject to change prior to the end of Phase 3 Design and Environmental Evaluation.  
 The corridor shown does not represent the actual width of the Scheme or the lands to be acquired. The exact details of the extent of lands to be acquired will be finalised following completion of the key design elements of the project. The final Scheme design may extend beyond the refined corridor shown.

**LEGEND:**

Initial Study Area	
Preferred Transport Solution	
Refined Corridor	
Indicative Road Design	
Proposed Transport Park & Share Hub
